Training cum Capacity Building Workshops in States/UTs

Department of Food and Public Distribution(DFPD) conducted a series of 13 training programme in financial year 2018-19, with an objective to keep functionaries at different levels in State/UTs updated with the technological and structural reforms and process re-engineering undertaken by various States in implementation of PDS operations. These training programmes covered 550 district level functionaries.

To make the training programme more inclusive, two more batches of residential training programme were organized for Master Trainers at IFS, Gurugram covering 19 States. These Master Trainers, further provided training to Sub-district level functionaries in their respective States (Tripura, Himachal Pradesh, Uttar Pradesh and Rajasthan) covering 400 sub-district level functionaries.

To sustain the reforms brought under the 'End-to-end Computerization of PDS Operations' scheme, this department wants to ensure the preparedness of the States/UTs to implement the new reforms under IM-PDS scheme and overcome any challenges faced in current operations. Therefore, in the financial year 2019-20, the Department has adopted a more focused approach to build capacity at State level by conducting State specific training workshops. **Till date three such workshops have been conducted, two in North Eastern cities of Guwahati and Imphal covering 112 participants from Assam, Manipur, Meghalaya, Mizoram and Nagaland in the month of June 2019. Another workshop was conducted in Bangalore on 8th August, 2019 covering 47 participants from Karnataka, Kerala, Daman & Diu and Dadra & Nagar Haveli.**

Snapshot of the Workshops

One-day training workshop at Guwahati on 20th June, 2019

One-day training workshop at Imphal on 22nd June, 2019

One-day training workshop at Bangalore on 8th August, 2019
