Subject: Implementation of national / inter-State portability of NFSA ration card holders under 'One Nation One Ration Card' plan – reg.

Sir/Madam,

As you are aware this Department is implementing nation-wide portability of the benefits under NFSA through "One Nation One Ration Card" plan, which aims to provide an option to all NFSA beneficiaries, if desire, to lift their entitled foodgrains under NFSA from any ePoS enabled Fair Price Shop (FPS) of their choice anywhere in the country, by using their existing/same ration card with Aadhaar authentication on ePoS device. This facility is already enabled seamlessly across 24 States/UT, namely – Andhra Pradesh, Bihar, Dadra & Nagar Haveli and Daman & Diu, Goa, Gujarat, Haryana, Himachal Pradesh, Jharkhand, Kerala, Karnataka, Madhya Pradesh, Maharashtra, Mizoram, Odisha, Punjab, Rajasthan, Sikkim, Telangana, Tripura and Uttar Pradesh, Jammu & Kashmir, Manipur, Nagaland and Uttarakhand.

2. In this endeavor, necessary preparatory activities to integrate your UT with the national cluster i.e. upgradation of ePoS software, integration with central IM-PDS and Annavitran portals, availability of ration cards/beneficiaries data in Central Repository, requisite testing of national portability transactions, etc. have already been completed with the support of central NIC team. Further, it is highlighted that central NIC and CPMU team of this Department have also completed the orientation trainings of the technical team and concerned officers of your State/UT through Video Conferencing and necessary implementation guidelines/instructions are already shared. Therefore, it is envisaged, to enable the national portability transactions under 'One Nation One Ration Card' plan in your UT w.e.f distribution month of **September 2020**.

3. Requisite web-services for reporting of portability transaction details to central dashboard have been enabled for your State/UT with immediate effect and continuously assistance is available from the central NIC team for seamless rollout 'One Nation One Ration Card' plan.

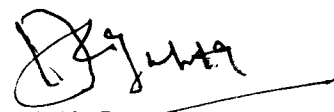

4. Now, it is requested, that in view of the local situation, State/UT may take a decision to operationalise/commence the national portability transactions by August 31,2020. Efforts may also be made towards wide-publicity and awareness generation among NFSA beneficiaries, FPS dealers, field level officers/staff, etc. on priority.

5. An early decision/action in this regard would be highly beneficial for the migratory beneficiaries of other States/UTs in your State/UT, and vice-versa, to access their foodgrains anywhere in the national cluster at the earliest.

6. In this regard, for any technical support/clarification, the nodal officers/technical teams may reach out to following officials:
