

F. No.9(1)/2019-Comp.Cell (E-367771)

Government of India
Ministry of Consumer Affairs, Food and Public Distribution
Department of Food & Public Distribution

Krishi Bhawan, New Delhi-110001
Dated the 12th January, 2023

To

**Principal Secretary / Secretary,
Food & Civil Supplies Department,
All States/UTs**

Subject: Regular reporting of supply chain related data on NFSA dashboard through Web Services- reg.

Madam/Sir,

As you are aware, this Department in association with NIC HQ as its technical partner, has developed NFSA dashboard as a national dashboard and live MIS reporting system to provide real-time information of various metrics in connection with the ration cards, FPS licensing, allocation, supply chain, FPS automation and distribution of foodgrains to NFSA beneficiaries in the States/UTs.

2. It has been observed that information related to supply chain operations are not reported regularly on NFSA portal. NIC HQ team had shared API document to share month wise commodity wise details of foodgrain allocation, lifting and delivery covering following parameters.

- a) Central Allocation
- b) State Allocation
- c) Off-take from FCI
- d) Received quantity at Godowns
- e) Quantity delivered at FPSs

3. NFSA dashboard has been designed to provide comprehensive report of foodgrain allocation, lifting and distribution across all States/UTs but partial or inconsistent data of States/UTs is defeating overall objective of national dashboard. It is also highlighted that NFSA dashboard is being regularly monitored by higher levels and public. Incorrect or insufficient information on the portal is inversely impacting reliability and credibility of the portal.

4. You are, therefore, kindly requested to issue necessary instructions to technical team and nodal officers to ensure regular reporting of all requisite information of Supply Chain Operations on NFSA dashboard through APIs. A document giving technical details of these web services as prepared by NIC HQ, is enclosed herewith. This will help the States/UTs in the implementation of the above-mentioned web services. For any technical support, if required, you may contact Smt. Sameena Mukhija, Sr. Technical Director, NIC HQ or CPMU team.

Yours faithfully,

(Vivek Shukla)
Director (PD)
